YYT75: Open Doors Event Cancelled

For Friday, September 8, 2017

The St. John's International Airport Authority announced yesterday that due to heavy rain forecasted for this weekend, their 75th anniversary event, YYT75: Open Doors, has been cancelled.

Unfortunately due to operational requirements this event will not be rescheduled this fall and will instead be held early summer 2018.

As this event was in support of the Canadian Red Cross, the Airport Authority is encouraging those who would still like to donate to please contact redcross.ca.
