St. John's International Airport Authority hosts Summer Entertainment Series

St. John's, NL, Thursday, June 29, 2017 – St. John's International Airport Authority has created a welcoming atmosphere in the Airport Terminal Building for the thousands of travellers and their greeters this summer season. There is a roster of events scheduled over the next three months that includes live musical performances, interactive science displays and a summer movie series.

“With thousands of passengers travelling through our gates on a daily basis during our peak summer travel period, these musical performances offer an opportunity to showcase a sample of the tremendous talent we have in our province, and create a strong sense of place for those arriving home and those arriving to our beautiful province for the first time” said Marie Manning, Director of Marketing and Business Development with the St. John's International Airport Authority.

A list of entertainment throughout the summer includes the following:

- **YYT Movie Series** - many family-friendly movies will be playing throughout the summer and include movies such as *Minions*, *Zootopia*, *The Good Dinosaur*, and *Muppets Most Wanted*. These will be showing on Level One of the Airport Terminal Building.
- A schedule of events is listed below. These will take place in the Atrium area, located on Level One of the Airport Terminal Building.
