HOW TO READ THIS SCHEDULE

Locate the correct schedule based on the day of the week you are travelling and then locate the correct direction you are travelling in. The times shown are for major checkpoints along the route and letters shown above the checkpoint name refer to locations that are shown on the route map. For example, if you want to travel from Marine Institute to the St. John's Airport on a Monday at approximately 830a, you would look at the Monday - Friday schedule for the direction "MUN to St. John's Airport". The bus leaves Marine Institute (B) at 830a and arrives at the St. John's Airport (D) at 850a. If your bus stop is before the Marine Institute checkpoint, you would need to be at your bus stop a few minutes before 830a and if your bus stop is after the Marine Institute checkpoint, you would need to be at your bus stop soon after 830a. Please arrive at your bus stop at least 5 minutes ahead of your scheduled departure time.

RIDING METROBUS TRANSIT IS EASY WITH YOUR M-CARD

Our m-Card is an interactive smart card that we use to handle all of our fare media, except for cash fares. The m-Card is the same size as a credit card. When a customer boards a bus, he or she simply holds the card in front of the on-board reader to pay the fare. The reader recognizes what type of fare or pass is on the card and approves or denies the ride electronically. Because it's a smart card, you keep using the same card week after week, month after month. Value is added to the card by the user at any of our sales outlets. In addition, you can add value to your card online at metrobus.com.
