PUBLIC SERVICE ADVISORY: Emergency Planning Training at St. John's International Airport

ST. JOHN'S, NL – The St. John's International Airport Authority advises the public of EMERGENCY PLANNING TRAINING that will occur on Thursday, September 22nd. This Emergency Planning Training is performed as a routine exercise to ensure that all partners are prepared for an actual emergency at St. John's International Airport.

During these exercises, there will be an increased presence of first responders and a school bus will be used as a training prop on RCAF Road. All Airport operations will continue as normal.

Date of Training: Thursday, September 22nd, 2022

Time of Training: 9am – mid afternoon

Location of Training: Airport Terminal Building and RCAF Road. Please reference map for exact location

Participants: St. John's International Airport Authority, Royal Newfoundland Constabulary, St. John's Regional Fire Department, and the Salvation Army
