

JOB POSTING

Manager, Infrastructure

St. John's International Airport Authority (SJIAA) is a private, not-for-profit corporation committed to creating an exceptional airport experience at Newfoundland and Labrador's premier gateway, and is the second largest Airport in Atlantic Canada.

We have an exciting opportunity to join our team as the Manager, Infrastructure. If you have a Bachelor's degree in Electrical, Mechanical, or Civil Engineering and experience working on complex projects we want to hear from you. Please note you must also be eligible for membership in the Professional Engineers and Geoscientists of Newfoundland and Labrador (PEGNL).

ACCOUNTABILITIES

Reporting to the Director, Infrastructure and Planning, the Manager, Infrastructure will:

- Provide both technical and managerial leadership to the electrical and building maintenance departments to ensure the execution of preventive maintenance and to effectively respond to breakdowns and disruptions
- Coordinate the planning and delivery of the small capital sustaining program and will provide operational and maintenance input into the larger overall capital program
- Establish consultative working relationships with key stakeholders
- Work closely with internal and external customers
- Contribute technical insight and leadership expertise to the business planning process that will maintain and improve the performance of SJIAA as a world-class international airport.

QUALIFICATIONS

As the ideal candidate, you bring:

- Minimum seven years' supervisory experience in maintenance functions
- Bachelor's degree in Electrical, Mechanical, or Civil Engineering and eligibility for membership in the Professional Engineers and Geoscientists of Newfoundland and Labrador (PEGNL)
- A track record in successfully planning and managing projects in an operating environment
- Experience working with preventive and predictive maintenance in a structured computerized maintenance management environment is an asset
- Well-developed presentation skills
- Superior communication skills, both verbally and in written form
