

Lynx Air's inaugural flight from St. John's to Montréal takes off

*To celebrate, Lynx is launching a seat sale, with fares as low as \$59 one way**

ST. JOHN'S, NL, June 5, 2023 – Lynx Air's first flight from St. John's International Airport (YYT) to Montréal-Trudeau International Airport (YUL) took to the skies today.

Today also marks the commencement of Lynx services between Calgary International Airport (YYC) and Montréal. Lynx's Montréal network will continue to expand in coming weeks, with the addition of Vancouver International Airport (YVR) on June 23, 2023. At that point, Lynx will be flying 26 flights in and out of Montréal, which equates to 4,914 seats.

To celebrate, Lynx has launched a limited-time seat sale, offering up to 35% off base fares for flights to and from Montréal, using the promo code: *MONTREAL*. The fares are truly ultra-affordable, starting from as low as \$59* inclusive of taxes and fees. The sale starts on June 5, 2023, and ends at 11:59 PM EST June 6, 2023. For complete sale details, and to book an ultra-affordable fare, visit [FlyLynx.com](https://flylynx.com).

"We are thrilled to be adding Montréal to our domestic network today, bringing our ultra-affordable fares to a community which has historically been underserved by low fare airlines," said Merren McArthur, CEO of Lynx Air. "Our vision is to inspire more Canadians to fly, and we are proud to be offering an ultra-affordable option for Quebecers to explore St John's and its picturesque environs this summer. Montréal is an iconic destination in its own right, and we are excited to make this vibrant city more accessible to the residents of Newfoundland and Labrador. Whether you are traveling to experience Montréal's rich cultural heritage or the stunning scenery of Quebec, Lynx will ensure a great flying experience at an ultra-affordable price."

"We are thrilled to officially launch Lynx Air's expansion to Montreal," said Dennis Hogan, Chief Executive Officer of the St. John's International Airport Authority. "This is a critical route that expands connectivity to one of our country's largest cities, and we look forward to continuing our valuable partnership with Lynx."
