

WE'RE HIRING

Terminal Facilities Support

Recognized as a Top Employer in Atlantic Canada from 2024 to 2026, the St. John's International Airport Authority (SJIAA) is a private, not-for-profit, non-share capital corporation that oversees the safe and efficient movement of people and goods at Newfoundland and Labrador's premier air transportation gateway. Our mission is to proudly connect Newfoundland and Labrador with the world.

SJIAA also received Airport Service Quality (ASQ) awards in both 2024 and 2025. These prestigious recognitions highlight our ongoing commitment to delivering an exceptional airport experience for passengers and for fostering economic growth and social well-being in the communities we serve.

Reporting to the Supervisor, Building Maintenance, the Terminal Facilities Support provides general facilities and infrastructure support to assist airport operations and maintenance activities. The role focuses on completing a variety of small-scale, routine, and ad-hoc tasks to support safe, efficient, and presentable terminal and airport facilities in both public and restricted areas. The position works closely with Building Maintenance and Electrical teams and responds to changing operational needs as required.

KEY ACCOUNTABILITIES INCLUDE:

- Assist Building Maintenance and Electrical teams with day-to-day facility support and minor maintenance tasks.
- Complete a wide range of small repairs, adjustments, and general maintenance activities across terminal and airport facilities.
- Perform routine inspections of terminal spaces and infrastructure, identify deficiencies, and reporting issues as required.
- Carry out basic maintenance tasks related to building finishes, fixtures, furnishings, doors, hardware, minor plumbing and common areas.
- Support the setup, movement, and removal of furniture, barriers, signage, and equipment.
- Respond to service requests and work orders, completing tasks independently or in support of other trades.
- Perform general labour duties including cleaning, patching, minor painting, and basic repairs as required.
- Pick up and deliver supplies, materials, and tools across airport facilities.
- Assist with inventory handling, surplus disposal, and workspace organization.
- Follow all airport safety, security, and operational procedures, including working in public and restricted areas.
- Complete required training and maintain required certifications.
- Perform other related duties to support airport operations, as assigned.

CLOSING DATE

Tuesday, August 4, 2026

Please note that successful candidates will be required to provide a satisfactory certificate of conduct and educational documentation as a condition of employment.

We thank all applicants for their interest, but only those selected for an interview will be contacted.

WE'RE HIRING

Terminal Facilities Support

IDEAL QUALIFICATIONS:

- High school diploma or equivalent (GED accepted).
- Completion of a recognized post-secondary program in facilities maintenance, building trades, construction, or a related field. An equivalent combination of education and experience may be considered.
- Two to four years of experience performing building operations, facilities maintenance, general maintenance, or similar support based work in a commercial, institutional, or industrial environment.
- Demonstrated ability to perform a wide variety of basic maintenance, repair, and general labour tasks across building and facility environments.
- Working knowledge of building systems, facility operations, and safe work practices.
- Ability to follow written and verbal instructions and work independently or as part of a team in a fast paced operational environment.
- Strong organizational skills with the ability to manage multiple small tasks and respond to changing priorities.
- Basic computer skills, including use of work order systems, data entry, and email (experience with a computerized maintenance management system is an asset).
- Ability to perform physical work, including lifting, carrying, bending, and working in both public and restricted areas.
- Valid Class 5 driver's license.
- Ability to obtain and maintain a Restricted Area Identification Card (RAIC) and other airport related permits or access credentials, as required.
- Availability to work overtime and respond to operational needs outside regular hours, as required.

SJIAA is an Equal Opportunity Employer. SJIAA is committed to inclusive employee recruitment and selection. SJIAA welcomes and encourages applications from people with disabilities. If you require an accommodation at any point during the selection process, please inform us as soon as possible and we will make every effort to fulfill your accommodation request.
